

Biblical Counseling Program

The House Modesto Counseling Center is a biblical counseling ministry comprised of trained couples and individuals who minister to and serve married couples in crisis, couples engaged and preparing for marriage, as well as singles. Counselors will teach the foundational, fundamental, practical, and biblically-based principles essential to building a successful marriage and family.

The Counseling Center operates under the authority of The House Modesto and Senior Pastors Glen and Deborah Berteau. The Center staff are trained and certified through the National Association of Marriage Enhancement (NAME™) and Prepare-Enrich™, both leading premarital and marital enrichment skills-based program.

Counselors are prepared to provide marriage and family building skills in the areas of communication, stress management, conflict resolution, financial management, leisure activities, sex and affection, relationship roles, marriage expectations, and goal setting.

The Program Directors will meet with you for an orientation meeting. Couples will be sent an online marriage assessment from Prepare-Enrich via email. To assure the highest accuracy of the assessment, it should be taken individually.

You will then receive a call from your counselor to inform you of the date and time of your first session. After your first session, you will continue to meet with your counselor weekly, on the same day and at the same time for five consecutive weeks. During this time, please be prepared and come with your Bibles, notepads, and pens.

As a part of the counseling program, you will be required to attend the Family Strong Ministries class on Sunday morning at 9:15 a.m. in the Fellowship Hall, for the duration of your counseling sessions. Make sure to check-in at the registration desk.

It is recommended that premarital counseling begin at least 12 weeks prior to your wedding date.
