

Singing an anthem together unites people with a common identity, belief, and cause. **How can music help me express what I believe?**

KNOW GOD

Remember

According to 2 Chronicles 20, King Jehoshaphat was threatened by his enemies. What was his first response?

What did God promise?

What did Jehoshaphat do to rally his army?

What happened to the enemies of Israel?

What does God say?

Read and write **Psalm 40:3**.

What does this verse say to you?

What stands out to you?

SHOW GOD

What do you think?

What songs do we sing in church that unite us in our beliefs?

Now You

Take some time and learn Psalm 40:3 this week.

Challenge

Like the disciple Thomas, many believers have had a period of doubt. Take time to pray over your doubts and questions before God and to seek him in the gospel of John this week.
