

This week, we began a new series called Mind Blowing Awesomeness. During this unit, we will be seeing how awesome God is compared to everything else in the world. Today, we looked how God's greatness can't always be understood.

## KNOW GOD

### Remember

Think about the illustration of the water in the container and the ocean. Why can't we contain God's goodness in one container?

---

Read Exodus 33:18-23. What did God call out before he passed by Moses? Why did God hide Moses as he passed by?

---

Read Isaiah 55:8-9. What do these verses say about understanding God's ways?

### What does God say?

*Read and write Psalm 40:5.*

What does this verse say to you?

---

What does this verse say about God's plan for you?

## SHOW GOD

### What do you think?

What does mind-blowing mean? What are some things that you think are mind-blowing?

---

Why do we sometimes think God, or the Bible, is boring? Why? How can we change the way we think about God?

---

Why is it hard to understand ALL of God's glory? How can we continue to learn about God's glory?

### Now You

Take some time and learn Psalm 40:5 this week.

### Challenge

Look for God's greatness in everything you do this week.
